GOLDEN KITTY

— CAKE —

With so many cryptocurrency tokens out there, how do you pick the best one? Pick one that gives you great passive income! Introducing Golden Kitty Cake, brimming with luck and spreading fortune with his CAKE. Now you can start earning passive CAKE token income from our Cake Bank. Golden Kitty Cake is inspired from the Waving Lucky Cat from the Chinese/ Japanese community. It was believed that the figurine will bring good fortune and luck to the owners. Now, it is Golden Kitty's turn to bring you tons of fortune through its own token and the CAKE token that it is spreading. Come and join Golden Kitty's community and start building wealth from the fortune cake that he's generating, YUM!

GOLDEN KITTY'S CAKE BANK

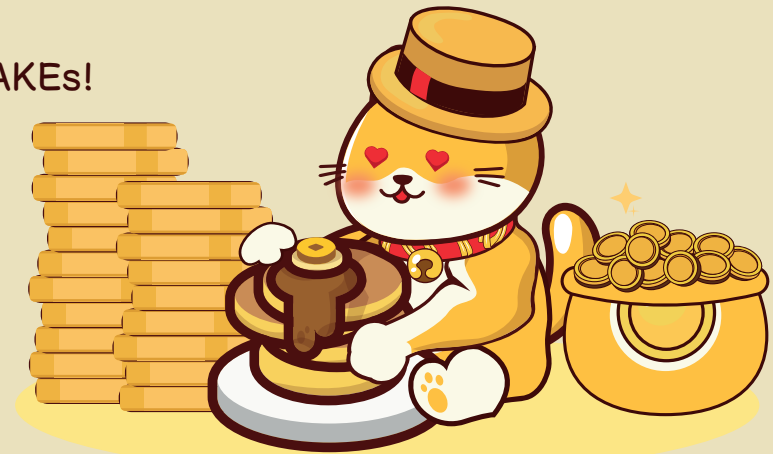

What is the Cake Bank?

Golden Kitty is distributing his followers with lots of fortune CAKEs!

Check out what goes inside the Cake Bank:

4% of every BUY transaction
7% of every SELL transaction

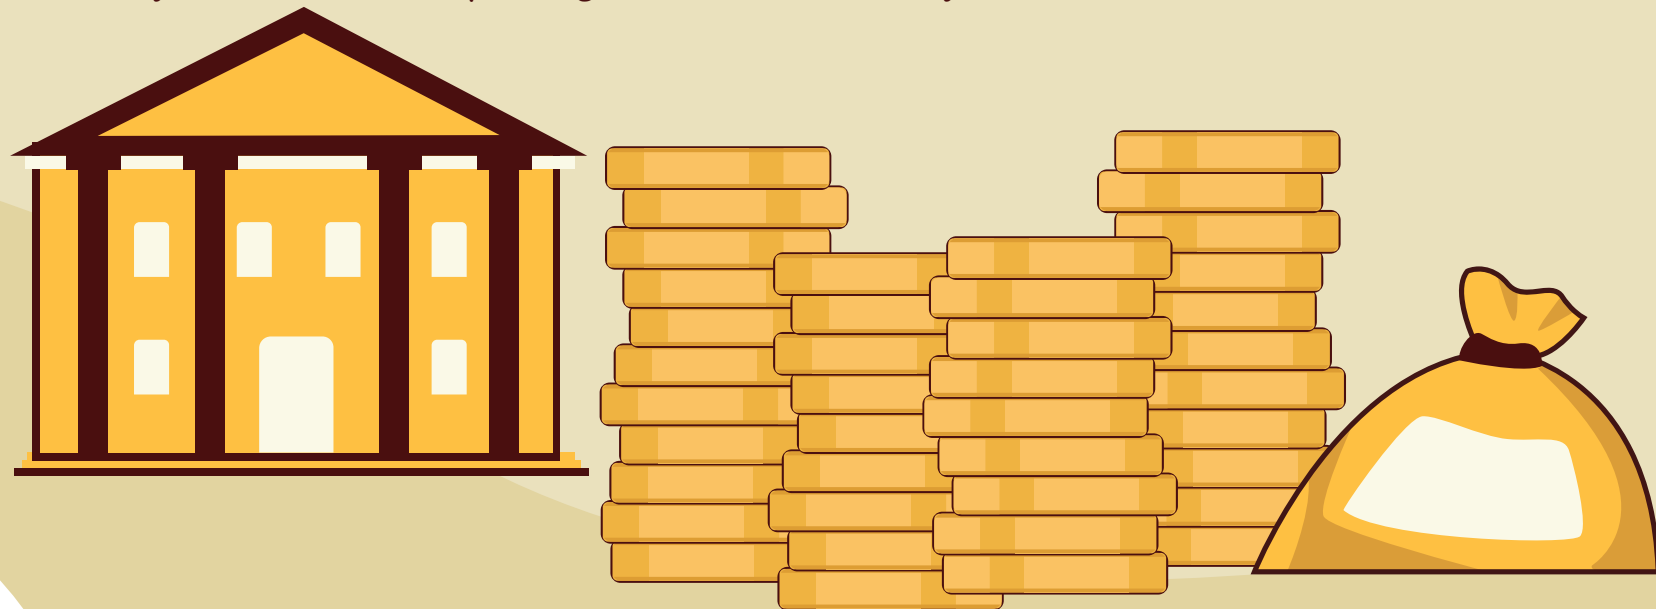

CAKE is claimable every 24 hours for every GKCAKE holders.

- You are only able to claim the same percent from the bank relevant to the amount of GKCAKE that you hold from the supply. In a simpler term, If you hold 8% of the total supply of GKCAKE then you'll get to claim 8% of CAKE from the Cake Bank.
- You are only able to claim the same percent from the bank relevant to the amount of GKCAKE that you hold from the supply. In a simpler term, If you hold 8% of the total supply of GKCAKE then you'll get to claim 8% of CAKE from the Cake Bank. Gentle reminder, we only have 1 Cake Bank available for holders to claim their CAKE, when claiming happens the CAKE pool will automatically reduce, and resulting in the CAKE shares to decrease. So, once your claim cycle arrives, make sure to claim your rightful CAKE as soon as possible!

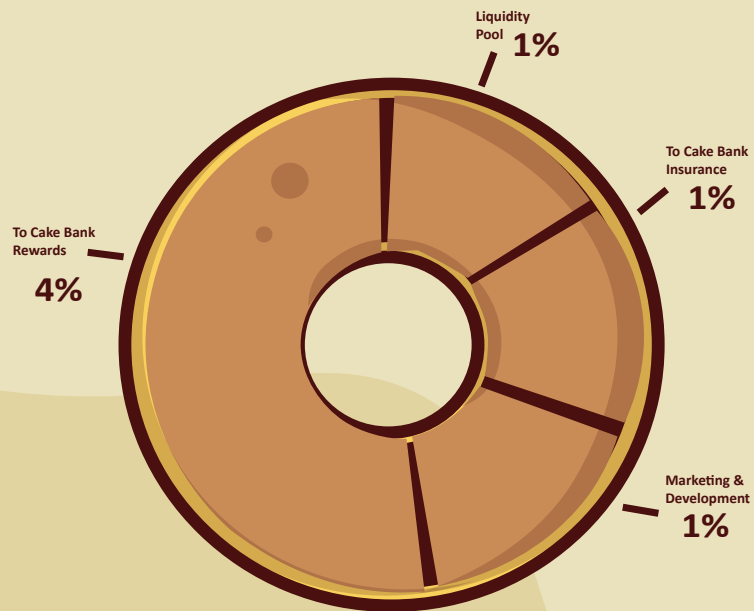

GOLDEN KITTY'S INSURANCE

Our Cake Bank ensures that you get to claim free cake daily, and in the same time we've offered proper security insurance. Nowadays, whales, scammers, rugs are everywhere and some meme tokens have no means to guard against them, thus, our Golden Kitty has come up with a safety insurance, that will automatically buyback upon massive price dump, to pump up the price and maintain safety and stability. The Insurance will be funded through every transactions and stored safely within the Cake Bank. Free CAKE claiming, and now Insurance utilities too? YUM! Golden Kitty Cake is here to spread good fortune for everyone!
